

The Association of Medical School Neuroscience Department Chairs (AMSND C) is a 501(c)3 non-profit organization dedicated to promoting neuroscience as a scientific discipline, and to represent the interests of departments within medical school settings whose major focus is research and training in neuroscience.

AMSND C 2023 Annual Meeting

The AMSND C 2023 Meeting is a unique opportunity to meet directly with key decision makers at the major medical schools in North America. The Chairs have responsibilities for overseeing some of the largest research enterprises at their institutions as well as teaching in the fundamental neuroscience in the medical curriculum.
